

RELEASE AND ASSUMPTION OF RISK OF DANGEROUS ACTIVITY: I acknowledge that snow tubing and snow play are inherently hazardous activities with dangers and risks that may cause or contribute to serious injuries or even death and that injuries are a common and ordinary occurrence. By participating in snow tubing or snow play at this event, I agree to freely assume the risk of and accept full responsibility for any injury or harm to me regardless of cause. I will not hold the operators of the snow tubing event, CBF Productions, or any of its officers, agents, or employees responsible for injury, death, or property damage that may occur. I agree that my purchase of this ticket and use of the snow tubing facilities confirms absolutely my agreement to be bound by this release and the posted rules at the facilities, whether I obtain the ticket myself or it was provided to me by someone else. I understand that snow tubing can be hazardous and agree to always operate the snow tube in a safe manner. For myself, and for my minor child or ward, I agree to release, not to sue, and to waive all claims against CBF productions, and their respective owners, members, joint venturers, agents, and employees with respect to claims of personal injury, death, property damage, or other loss-related in any way to my use of the snow play or snow tubing facilities or snow tubing, including but not limited claims of simple negligence.
